

CHANCELLOR PUPILS TO RECEIVE PROGRAM ON BULLYING

Over the term of the next seven weeks, all Chancellor pupils will receive a program on bullying. Presented by the Hudson River Playback Theater, the program will feature a series of interactive performances using real-life case stories of children who experience bullying. Pupils will be asked to contribute their stories. They will be enacted by professional actors and actresses. Performances, along with activities planned for the classroom before and after the presentation, will help prepare pupils with the language and empowerment strategies to deal with a bullying situation.

A special presentation will be held for parents on the evening of March 27. Space is limited. Be alert for reservation information to come home soon.

This program is brought to Chancellor with District funds and an Arts-in-Education grant.

The following is the schedule of presentations when the children will observe and participate in the performance:
