VISION STATEMENT

The Rhinebeck Central School District meets the changing needs of our community with courageous programming consistent with State Standards and mindful of best learning practices. Each student enjoys an enriching experience while mastering the skills and knowledge to reach his or her maximum potential. We educate our students to become self-directed learners, complex thinkers, collaborative workers, quality producers, community contributors, and ethical decision-makers.

CORE VALUES

Quality Education Includes:

- **Safety and Health:** Students and staff need a healthy and safe environment.
- **Resources:** A successful education program requires appropriate facilities, equipment, and materials
- **Respect:** We respect and honor the dignity and worth of ourselves, others, and our environment.
- **Responsibility:** Each person is responsible for what he or she says and does.
- **Courage:** Courage is required to grow, change, take risks, and make commitments.
- **Integrity:** Personal integrity develops as one attends to and becomes increasingly ethical in one's speech and actions. Adults model this process.
- **Whole Child:** In order for students to be successful, their emotional, social, physical, and academic needs must be met.
- **Collaboration:** The education of our students is a process involving the entire educational community: students, teachers, administrators, non-instructional staff, Board of Education, families, and the community at large.
- **Student Achievement:** Continuous growth and improvement occur when there is use of best practices, an articulated/ aligned curriculum and pertinent data.
- **Recognition:** Acknowledging and celebrating successes, large and small, nurtures growth and a sense of community.
