

Present: Joe Phelan, Mark Fleischhauer, Lisa Rosenthal, Diane Lyons.

The committee made a list of policies we looked at last year and are in various stages of work. They include # 5161, 5155, 5220, 5305, 8526 and 8124. The committee will follow up as new information comes in.

The group then continued work of reviewing the district's policy manual

#5230-SCHOOL DANCES- Joe will add language to reference # 3 of the extracurricular policy regarding student attendance on the day of a dance. This is not a change to the policy, but the information should be included in both places.

5240-PUBLIC PERFORMANCES BY STUDENTS-The committee recommends removing #2 as this is not aligned with current practice.

5251- STUDENT FUND RAISING ACTIVITIES- No changes

5252-STUDENT ACTIVITIES FUNDS MANAGEMENT-No changes

5260-STUDENT CONTESTS- No changes

5280-INTERSCHOLASTIC ATHLETICS-The committee had a discussion about the word "coachability" which is used as criteria during team try outs. The discussion centered on the general understanding of what it means to be coachable. Does it mean to comply with everything a coach would like an athlete to do or does it mean that an athlete is able to take direction and is open correction. The committee did not reach a conclusion and Joe will seek input from our AD to add to our discussion next month.
