

## Personnel Committee Minutes

November 17, 2016

Present: Joe Phelan, Lisa Schulkind Steve Jenkins, Diane Lyons, Tom Burnell

The committee discussed contract negotiations. Joe and Tom shared two documents they received from presentations they attended on negotiation trends. The group will review these at home so we may discuss the topic further at next month's meeting. The committee will make a list of questions for the district's attorney David Shaw at our next meeting and provide this to the full board so they may add questions they have to the list. Joe will work on setting a meeting prior to a regular scheduled BOE meeting in January or February as David's schedule allows.

Joe briefly updated the group on the online tool for the superintendent's evaluation. The cost is \$1,800 per year but would be a tremendous time saver. The group may have the company give a demo before making a recommendation. If the full board is interested the demo could be available to everyone. The committee is interested in some initial feedback from the board.

Next meeting December 15, 2016

Respectfully submitted by Diane Lyons
