ADDITIONAL INFORMATION REGARDING BOARD OF EDUCATION SERVICE

1. Committees:

Members of the Rhinebeck Central School District Board of Education, in addition to attending the twice monthly meetings, also serve on several of the various Board Committees that meet monthly, usually for an hour to an hour-and-a-half.

The current standing Committees are:

1. Personnel Committee (3 members)
2. Audit Committee (3 members)
3. Finance Committee (3 members)
4. Curriculum Committee (3 members)
5. Communications Committee (3 members)
6. Policy Committee (3 members)
7. Facilities (3 members)

In addition to the standing Committees listed above, Board members also serve on the following Committees which generally meet less frequently:

1. CDEP Representative (1 member)
2. School, Town, and Village Collaboration Committee Representative (1 member)
3. Liaison to Rhinebeck Science Foundation (1 member)
4. District Technology Committee Representative (1 member)
5. Dutchess County School Boards Association (Exec Committee) (1 member)
6. District Safety Committee (1 member)

There is also a Board Budget Workshop, scheduled for a Saturday in March, which is open to the public, during which the administrators present and discuss with the Board their requests for funding. Attendance is not required of Board members but is strongly encouraged.

2. Training

By Education Law, School Board members must complete 10 hours of training in both Fiscal Oversight and Board Governance during the first 12 months of their term of office. The District pays the cost of registration and travel expenses as allowed by policy. Failure to complete the training within the time limit may be grounds for removal from office.

3. Incidental

From time to time during the school year, there are opportunities that occur for interaction on the part of Board members within the school community and the community at large. Participation in these events is entirely optional, but does provide for more informal avenues of communication between Board members and their constituents. These would include: Breakfast with the Board; attendance at the Superintendent's Conference Day at the opening of the school year; and attendance at various school functions, such as concerts, awards ceremonies, and athletic events. It has also been customary for one or more Board members to meet with Legislators in the Spring to advocate for state aid and other state assistance to education.
