Welcome to the Rhinebeck Central School District.

Parents/guardians should begin the registration process by calling (845) 871-5570 x5560. The District will mail the registration packet to you in advance to minimize your appointment time or you may visit the District's website at [www.rhinebeckcsd.org](http://www.rhinebeckcsd.org) (under the Departments tab) to obtain the required forms.

The school district is required by NYS Education Law to verify the prospective student's eligibility for enrollment based on age and residency within the district's boundaries.

In order to verify your child's eligibility to attend the schools of our district, you must submit the following documents, records, or information to my office **immediately**, if available, but not later than the close of the next regular business day.

- A residential lease, mortgage, or deed
- A statement from a landlord concerning your tenancy
- A statement from a third party that establishes your presence in the Rhinebeck Central School District
- Additionally, you must complete and submit the attached affidavit(s), if applicable.

You may also submit any other relevant evidence you wish to, including but not limited to the following types of documentation:

- a) pay stub;
- b) income tax form;
- c) utility or other bills;
- d) membership documents (e.g., library cards) based upon residency;
- e) voter registration document(s);
- f) official driver's license, learner's permit or non-driver identification;
- g) state or other government issued identification;
- h) documents issued by federal, state or local agencies (e.g., local social service agency, federal Office of Refugee Resettlement); or
- i) evidence of custody of the child in question, including but not limited to judicial custody or order or guardianship documentation.

Finally, if available, you must submit the following: an original or certified transcription of your child's birth certificate, or an original or certified transcription of your child's certificate of baptism, if available. If you are unable to provide the District with either of these types of documents, please provide your child's passport, regardless of the issuing nation. In the absence of any of the aforementioned, you may provide any other documentation that has been in existence for over two years that could be used to establish your child's age.

For example:

- a) official driver's license;
- b) state or other government issued identification;
- c) school photo identification with date of birth;
- d) consulate identification cards;
- e) hospital or health records;
- f) documents issued by federal, state or local agencies (e.g., local service agency, federal Office of Refugee Resettlement);
- g) court orders or other court-issued documents;
- h) Native American tribal document; or
- i) records from non-profit international aid agencies and voluntary agencies.

In order to make a timely decision regarding a student's right to continued enrollment in the District, the aforementioned information and documentation should be delivered to the Registrar located at 48 Knollwood Road, Rhinebeck, NY **by tomorrow** (or the next regular business day if tomorrow is a weekend or holiday). If you have any questions, please contact the Registrar at (845) 871-5570 x5560.

Thank you,

**Parental Rights to Referral and Evaluation for  
Special Education Services or Programs**

The Rhinebeck Central School District offers supports for students attending Chancellor Livingston Elementary School, Bulkeley Middle School or Rhinebeck High School in general education such as related services, curriculum and instructional modifications and Academic Intervention Services (AIS). The Response to Intervention (RtI) team in your child's school may make a referral to the Committee on Special Education (CSE) if interventions have not been successful. Contact your child's teacher for more information.

If you think your child has a disability which adversely affects his/her educational performance and may require special education, you may initiate a referral by writing to the Committee on Special Education ("CSE") in this school district or where the nonpublic school is located.

A referral is a written statement asking that the school district evaluate your child to determine if he or she needs special education services. This written statement should be addressed to:

Emily Davison  
Director of Special Education  
Rhinebeck Central School District  
PO Box 351  
Rhinebeck, NY 12572

Additional information is available in English and Spanish in a document called, *A Parent's Guide to Special Education* at [www.nysed.gov](http://www.nysed.gov).

Dear Parent or Guardian:

The New York State Education Law requires that every child in *grades K, 2, 4, 7, and 10, and any new entrants* to the school district, must have a health examination given by either their family physician or the school doctor. Your family physician has a more complete understanding of your child, can interpret his findings directly to you, and assist you, in carrying out any recommendations which may be indicated.

We respectfully urge, therefore, that you take your child to your family physician and have the **ANNUAL HEALTH APPRAISAL FORM** on the other side of this sheet filled out and returned when the child enters school. This exam should be done **within twelve months** of your child's current school year in order to be accepted.

We are asking that all statements from the private physician be turned in to the Health Office (**NO LATER THAN OCTOBER 1<sup>st</sup>**). If, by that time, we do not have the record of examination, (or a known appointment date), it will be necessary to have the examination done by the school physician, in order to have the record of the child's physical condition on hand for reference.

The New York State Department of Health has revised the regulations regarding immunization requirements for school attendance *EFFECTIVE August 2015*. The new dosing requirements are based on the Advisory Committee on Immunization Practice (ACIP).

**THE FOLLOWING VACCINATIONS ARE REQUIRED AND MANDATORY** before a child enters or transfers to our school:

Vaccines	Grades K-1	Grades 2 - 5	Grade 6-7	Grades 8 - 12

# Dental Health Certificate- Optional

**Parent/Guardian:** New York State law (Chapter 281) permits schools to request an oral health assessment in the following grades: school entry, K, 2, 4, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.
