

Health and Wellness Meeting – November 9, 2022

Attending: Tom Burnell, Stacy Stoliker, Christine Kozma, David Aierstok, Megan Barbera, Meg Rodier, Brett King, Larry Anthony, Theresa Costakis

1. 30% New York State Initiative

- Discussion on what the 30% initiative is
- 30% of the menu coming from NY products
- One Thursday a month (3rd Thursday each month) the entire menu is from local sources

2. Lunch Program

- free and reduced – discussion at the board meeting the previous night – are we undervaluing the group_
- potential to have a video showing how students go through the lunch line to demonstrate that the process is anonymous_

3. Food Presentation from Larry Anthony

- The committee feels that the food presentation should be done in person and not via a Town Hall through a zoom...cooking in person brings out the five senses which would be lost in a zoom
- We discussed numerous ideas and dates of when to have the informative 30% NYS Initiative and it seems that we are trying for early December around the parent/teacher conferences

4. High School Students on the Committee

- David will talk with Dr. Davenport about reaching out to members of student council_

Next meeting scheduled is for 12/14/2022, Meetings are subject to change so please call ahead if you are planning to attend
