

Health and Wellness Meeting - 10/13/21

Attendance: Tom Burnell, Emily Davison, David Aierstok, Meg Rodier, Brett King, Larry Anthony and Stacy Stolliker

1. Discussed the idea and need of sensory kits at CLS...this was also discussed with the CLS staff
 - A sensory space in CLS would be amazing where 3-5 kids at one time could be using it
2. Dr. Michael (Mykee) Fowlin
 - Discussion on his show entitled, "You Don't Know Me Until You Know Me"
 - He is performing at Red Hook High School in January and we are getting the link/some will be attending
 - **CLS** – 3-5 grade level could watch presentation outside or all three grades in the auditorium
 - Total student number is approximately 205 with 15 teachers
 - **BMS/HS** – two separate days
3. **AED Drills** – who is certified
 - AED/CPR/First Aid after school – 2 days with AED/CPR being approx.. 3 hours and First Aid being 2 hours
4. Larry Anthony
 - Met his intern and she discussed safe foods for kids with sensory issues and will be providing a list of allergens in products

Date of Next Meeting – 11/10/22
