

RHINEBECK CENTRAL SCHOOL DISTRICT/PERSONNEL COMMITTEE

Minutes of Meeting of November 4, 2015

Present: Diane Lyons, Rick Walker, Lisa Rosenthal, Joe Phelan, Tom Burnell.

The Committee discussed the following topics: (1) the status of negotiations with the Rhinebeck Administrators' Association; (2) employment conditions of certain district employees who are not members of any bargaining unit; and (3) superintendent evaluation process.

1. RAA Negotiations: Joe informed the Committee that an initial negotiation session had been held between representatives of the RAA, and himself and Tom. The balance of the discussion involved the specifics of contract negotiations and, accordingly, is confidential.

2. Non-Unit Employee Employment Conditions: This discussion involved the employment histories of particular persons and, accordingly, is confidential.

3. Superintendent Evaluation Process: Joe distributed to the Committee materials he had obtained during the recent NYSSBA convention concerning this topic. Due to the length of the discussion of the previous items, the Committee decided to adjourn the meeting at this point, review the materials on their own, and engage in further discussion of this topic at the Committee's next meeting.

Next Regular Meeting: November 17, 2015 at noon.

Dated: November 5, 2015

Respectfully submitted,

Lisa Rosenthal
