Meeting Date: *Monday, November 4, 2019 at 3:30 pm*  
 Professional Development Room @ CLS Campus

Present: Fawn Johnson, Tom Burnell, Marvin Kreps, Mary Ann Torres

Absent: Cynthia Baer, Brielle Grover

## Meeting Minutes

Fawn reported that she spoke to the PTSO (Marianna Lombardo) and was asked to come to their November meeting to speak to the membership on behalf of the AIE Committee. Additionally, she wrote a letter to Hillary Burton asking if she would be interested in joining the committee but has not heard a response.

Marvin will speak with Henry Frischknecht to let him know that we can't fund the Salem Witch Trials fully next year. We funded fully this year because of the timing of the submission of the application.

Fawn will speak to Jenna Yarnell about submitting the Jill Ann Schwarz project to the RSF because it has a science component; however, the committee will fund it should the RSF decline (earmark for \$1500).

Tom reported that there's \$2,800 left in the "Sandy Kane" fund to use for AIE.
