Personnel Committee Minutes

September 5, 2019

Present: Joe Phelan, Jackie Raccuia, Steve Jenkins, Tom Burnell, Diane Lyons

The committee discussed some personnel changes that will be on the next board agenda. Two cleaning positions will be changed as half cleaner half grounds positions. This will allow more flexibility to get those jobs done.

Two positions, microcomputer systems specialist and account clerk are currently managerial confidential but will be moved into the ANNIE unit and follow that contract.

We discussed the timeline for negotiations. The RTA contract expires 6/30/2020 and ANNIE and the RTA expire 6/30/2021

Next meeting: October 1st

Respectfully submitted by Diane Lyons
