

4.2.2

**POLICY COMMITTEE MINUTES
MAY 23, 2019**

Attendance: Diane Lyons, Liz Raum, Mark Fleischhauer, Joe Phelan

Policy 5220 – Student Publications –

The committee discussed proposed revisions submitted by representatives of the school newspaper, as a result of our last meeting, where we were joined by newspaper representatives and their advisor.

A discussion took place regarding advertising and ads that would be inappropriate for the school newspaper. Joe will check with legal counsel to determine if paid ads are allowed, regardless of the content. The committee discussed that the process of selling ads, if allowed, could add to the learning experience of running the paper.

The committee also discussed the appropriateness of personal ads and classified ads.

Policy 9410 – Substitute Placement on the Salary Schedule

The committee discussed adding language to the policy that would permit setting of salary rates at the annual re-organizational meeting. Joe will discuss with legal counsel.

The committee discussed the possibility of having 3 classes of substitutes, those serving 30 days or less, those serving 30 days to 5 months (1 semester), and those serving a semester or longer, per PERB decisions. Discussion also took place about retroactive pay for a teacher who is hired in one of the shorter term classes and then is required to stay longer.

Policy 5152.1 - Admission of Foreign Students and Policy 5182 – Released Time for Religious Instruction

The Committee briefly discussed these policies due to questions recently brought to the district administration.

Next meeting – June 27, 2019

Respectfully submitted,

Mark Fleischhauer
