

4.3.1

Long Range Planning Committee Meeting Minutes

September 12, 2018

Attendees: Steve Jenkins, Laura Schulkind, Joe Phelan, Tom Burnell

Absent: Diane Lyons

Haldane Field Trip

In preparation for the 9/25 meeting in Haldane, the committee drafted some questions about their strategic plan:

Plan Development

- discuss the process of strategic plan development and implementation
- What was the reality of implementation: struggles, successes, etc.
- What has been the effect of declining enrollment in the district
- How has staff been maintained while expanding program offerings

Program/Professional Development

- K-12 program alignment - teachers working outside their certification area
- NTN (New Teach Network) Program, ICT (Integrated Co-Teaching) Program
- PBL (Problem/Project Based Learning)
- How generate programs with other schools - Croton, Sloatsburg, Pearl River
- Haldane Alternative High School & Haldane Academy
- Any particular educational focus for District as a whole? Process of determining annual course offerings
- What teacher/administrator turnover, if any?
- Virtual High School courses - which classes being offered most? How implement? BOCES Aidable?
- Course Catalog p. 22 - Elementary/Peer Tutoring, Independent Study, Discover Create Innovate - explain

Finance

- What budget stressors?
- How has the tax levy cap been managed?
- How funding innovation?
- What choices have been made for re-allocation of funds?
