myVisitNow offers members:

Convenience. Have your visit at home, on-the-go, or anywhere from your smartphone, tablet, or computer with a webcam.

Confidentiality. Visits are HIPAA-compliant, allowing you to meet safely and securely.

Availability. See an urgent care doctor within minutes, or self-schedule same- or next-day appointments.

Affordability. Co-pays will be the same as a sick visit to your Primary Care Physician (PCP). If you have a plan where the benefit is subject to the deductible, and have not met your annual deductible, you can save on out-of-pocket costs. Getting started is easy.
Complete the registration form at myvisitnow.com and select Sign Up.

You’ll be asked to provide basic information, such as your Current Location, date of birth, and MVP Subscriber ID. Once your health insurance information is verified, your account will be created.

Dependent and Spouse Registration
Dependents over the age of 18, including your spouse, must create their own account for claims to accurately process.

To register a dependent under the age of 18 on your account, Log In at myvisitnow.com, and choose My Account. Select My Children, then Add.

To register, your dependent(s) and spouse must use their MVP Member ID number.

Now, schedule your visit!

1 Choose the type of visit you want and select a provider.
Using your smartphone, tablet, or computer with a webcam, you’ll be face-to-face with a health care professional within minutes or be able to schedule your visit, depending on the service selected.

2 Provide payment information.
Prior to your visit, you’ll be presented with the appropriate cost. Simply provide your credit/debit card information and authorize payment.

3 Look for your visit summary and Explanation of Benefits (EOB).
After your appointment you’ll receive a visit summary, which includes your diagnosis, treatment recommendations, and a prescription, if necessary. Share the visit summary with your PCP so he/she is informed of your health history. A claim will automatically be generated and sent to MVP for processing. Once the claim is processed, you’ll receive an EOB.
