It is that time of year again for the Open Enrollment Period for the Flexible Spending Plan. You must re-enroll in the flexible spending account for medical and/or dependent care. This benefit does not roll over and your benefit will be cancelled if you do not re-enroll.

Please DO NOT discard your current Benefit Debit Card.

If you choose to re-enroll for the upcoming plan year January 01, 2021 through December 31, 2021 your benefit debit card will be replenished with the dollar amount that you have elected for the January 01, 2021 through December 31, 2021 Plan Year.

If you are enrolling for the first time, your Benefit Debit Card will be mailed to your address that you have provided on your Rhinebeck CSD enrollment form.

How long is my card valid?

As long as you do not have a break in participation, you can use your card for multiple years, until the expiration date printed on it. If you are still a participant when your card expires, a new card will be automatically mail to you.

Below you will find information in regards to the roll out of the Benefit Debit Card. Remember if you choose not to use the Debit Card you must file a hard copy claim with the necessary documentation to receive your reimbursement.

Access to Funds
Your benefit debit card gives you easy access to the funds in your tax-advantaged benefit account by swiping the card at the point of sale. The card can be used at any qualified service provider that accepts MasterCard. Funds are automatically transferred from the benefit account directly to qualified providers with no out-of-pocket cost and no need to file a claim for reimbursement.

Your benefits debit card virtually eliminates:
- Out-of-pocket expenses
- Claim forms
- Reimbursement checks

Your benefits debit card is as easy as 1-2-3

1. Check your account balance
   You can view your transaction history, current balance, claim status, and more by logging in online at: www.fbanational.com - click on “Log In/Register”. Please contact FBA National at: (855) 374-6431 for any questions in regards to creating a new account for your card

2. Swipe your benefit debit card
   Swipe the card at the point-of-sale for eligible products and services. IRS rules and regulations still apply. Most major retail chains utilize a system that will auto-substantiate the purchase, meaning it will approve eligible expenses without requiring submission of receipts. If a purchase is greater than your account balance, you can split the cost at the register or you may submit a manual claim.

3. Keep all your receipts
   Though the need for documentation is greatly reduced, it is a good practice to save your receipts in the rare instance documentation is requested by your administrator or in case of an IRS audit.
Save on medical/dependent care expenses using our easy-to-use FBA Benefits Card!

FBA Benefits Card allows employees to use pre-tax dollars on qualified medical expenses and/or qualified dependent care expenses.

This gives employees an easy way to access funds. Each FBA Benefits Card is funded through payroll deductions for easy to use tax-free dollars.

Eligible Health Care Expenses- See IRS Publication 502
Eligible medical care expenses include amounts paid for the diagnosis, cure, mitigation, treatment or prevention of disease, and for treatments affecting any part or function of the body. The expenses must be primarily to alleviate or prevent a physical or mental defect or illness. Expenses for solely cosmetic reasons generally are not expenses for medical care and may not be eligible. Expenses that are merely beneficial to one's general health are not expenses for medical care. In some cases, you may be asked to provide a letter of medical necessity from your attending physician to substantiate your claim.

This list has been compiled for the convenience of our clients and participants and is designed to provide a general overview. GUIDELINES FOR SUBMISSION OF SECTION 125 CLAIMS

These guidelines are intended to aid you in filing claims though Section 125 Plan for reimbursement. They will assist you in receiving a quick reimbursement and avoiding an unnecessary returns or requests. You may fax your claim to our New Flex Fax Number (833) 930-1024.

Mobile applications is available both Apple and Android phones allows you to review your account at any time, check balances, view account activity, and submit claims.

Necessary items to include in your packet of Section 125:

   Fully completed claim form (health or dependent care reimbursement form). These can be obtained through your department of human resources or by calling our office at (855) 374-6431.

1. Explanation of benefits from either your medical or dental insurance. This is the paper that is attached to your insurance payment. This can also be obtained from your individual medical or dental care giver. Most medical and dental insurance will send you and your primary care provider a copy of the benefits. The E.O.B. contains all the information needed to process your out of pocket expenses (i.e.: name of patient, date of service, name of doctor). If your insurance does not cover a particular procedure or the fee has been applied to your deductible, we must have the denial or the statement stating such facts (an itemized bill stating these facts is NOT ACCEPTABLE). If you do not have or cannot obtain an E.O.B. for co payments reimbursement, then you must submit the following:

   A. An itemized bill from the primary care provider giving details of all services that were rendered to total the amount being submitted in for reimbursement. This bill must list the dates of services, the procedures performed, names of patient, name of doctor AND any insurance payments that were made on the account. Without this information, an itemized bill is NOT ACCEPTABLE. “Balance Forward” and “Previous Balance” statements are NOT ACCEPTABLE. If you DO NOT have insurance, this also must be stated on the itemized bill.

   B. Written receipts from a doctor’s office are acceptable as long as the actual date of service (not the date you paid), the name of the patient and the name of the doctor is clearly printed on the receipt. These receipts can only be the usual co payment amount that you would normally pay for your visit (i.e. $10, $15, or $20). If it is an out of the norm amount, then either an itemized bill or an E.O.B. is necessary to ensure reimbursement.
Cancelled checks are also NOT ACCEPTABLE; they do not specify the Information needed to properly process your claim.

Predeterminations of Benefits are NOT ACCEPTABLE for reimbursement under the Flexible spending account program. A predetermination of benefits is an estimate of payment prior to services being performed. Reimbursement can only be given for date of services that were actually performed.

C. Prescription: If you are submitting receipts for pharmacy co-pays, please send in the pharmacy receipts that you receive attached to the prescription. These receipts detail the name of patient, date when the prescription was filled; co-payment amount and prescription number that we need to process the claim. Register receipts are only acceptable for the purchase of over the counter drugs. The cash register receipt must have the name of the OTC drug and the date of service along with the physician prescription. If you cannot collect all these receipts or you may not have saved them, your pharmacist can print out a list of your entire family’s history of prescriptions for that particular year. Privacy may be a concern; therefore, you may block out any names for medication to ensure your privacy.

Sending in a complete and clearly legible claim to our office will ensure a quick reimbursement. As always, we are happy to assist you in any matters or concerns that you may have. Please contact us at (855) 374-6431.
