UPDATED INFORMATION REGARDING THE PRESCRIPTION

I have been notified by Blue Cross Blue Shield that they have three (3) Pharmacies in the area that have agreed to the mail order contract terms. The three (3) Retail pharmacies that have agreed to the mail order contract terms are now able to fill 90 days scripts at a member cost share of 2 copays. As a result, the pharmacies listed below may continue to be used by members to fill their 90 day maintenance medication scripts as an alternative to obtaining through Express Scripts Mail Order.

Pine Plains Pharmacy 2965 Church Street, Pine Plains NY
McCarthy Pharmacy 6032 NY-82, Stanfordville NY
Matthews Pharmacy 101 Canal Street, Ellenville NY
